FILE NUMBER: 3413366

APPLICANT: Monteg Ventures Inc., Roger Mason, Wendy Mason

BACKGROUND:

An application was received for authority to construct a public roadway to connect Silver Star Road and District Lot 2244, ODYD (private parcel). The roadway is in association with a Subdivision Approval for the associated private parcel, and will provide legal access to this parcel. The roadway is to be dedicated to Ministry of Transportation and Infrastructure upon survey.

DECISION:

Processed – Tenure Issued

REASONS FOR DECISION:

The proposal is consistent with the Ministry of Forests, Lands and Natural Resource Operations and Rural Development policy for Roadways.

No significant impacts on the environment have been identified by mandated agencies.

Consultation with First Nations has been carried out in good faith, and the Crown's process to seek understanding of the potential issues and impacts was reasonable. The potential for adverse effects on Aboriginal Interests has been avoided, minimized or otherwise accommodated.
